Re:

Approved Amended Budget 2024

The insurance crisis in Florida has been very prominent for more than 8 months from social media to local and national tv, town halls etc. Unfortunately, Cherry Lane did not escape the insurance crisis.

This letter is to inform you that the Board of Directors has approved the Proposed Amended Budget insurance line item only for 2024. It was not something anyone wanted to approve but there was no other option from any other insurance companies. Citizens was the only option for the community.

We have attached the new budget for you, and it will reflect the insurance line-item adjustment. On the bottom of the budget, you will see the monthly maintenance payment for May and June and then the monthly maintenance payment for July through December 2024. Please remember this does not have anything to do with the Special Assessment.
